

## STAGE & VENUE

# A/V Requirements

---

### **Video / Slides**

April will provide her slides via a transfer link before the event and will require sound and video for her slides. April can provide her own laptop if needed.

---

### **Slide Advancer**

The client must provide a DSAN Perfect Cue system (or equivalent) for April's direct slide control, which connects to an A/V crew's system or laptop.

---

### **Microphone**

April prefers a wireless lavalier microphone connected to a professional audio system.

---

### **WiFi**

WiFi access for audience members is strongly encouraged for polling and engagement.

---

### **Confidence Monitors**

If possible, April prefers at least one confidence monitor and a countdown clock.

---

### **No Podium**

April prefers no podium on stage where possible.
