

KEYNOTE SPEAKER

Stage Intro for April Hansen

Please extend a warm welcome to April Hansen, a true authority in the field of growth. April's expertise and captivating keynote speeches have earned her recognition from several media outlets such as Business Insider, The Washington Post, Forbes' 40 Under 40, AP, The New York Times, CBS, CNBC, Modern Healthcare, The Daily, and many more.

April is also a 2024 Nashville Health Care Council Fellow, a Recognized Wisconsin Nurse Leader of the Year, and has been featured in Becker's list of Rising Healthcare Stars and Staffing Industry Analysts' 40 under 40, Global Power 150 - Women in Staffing, and North America Staffing 100 lists.

As Group President for Aya Healthcare, Aya achieved remarkable revenue growth of 27x over six years, reaching an astonishing \$11B in annual revenue in 2022.

Originally a nurse, April is now an esteemed international executive and shares invaluable insights from her journey, exploring various realms of business growth, leadership, strategy, innovation, and personal development.

With competitive market advancements happening 80% faster than ten years ago, she firmly believes in her motto that bravery doesn't guarantee victory—but a well-crafted game plan helps.

Let's come together to give a resounding applause to the inspiring April Hansen!

Small Steps, Big Growth
